welcome to the alternative show.

as a contributing artist there are a few gallery guidelines we expect you to follow. if you do not follow these guidelines, your work may not be included in the show.

1. work must be ready to hang. framed or matted, it must have wire across the back or other means by which to be hung by one hook on the wall. sculpture must be stable and stand on it's own.

2. completely fill out the *Entry Application* and *Entry Label* (one for each piece you are entering ~ UP TO THREE). cut out the *Entry Application* and turn it in to the office. cut out the *Entry Label* (remember, one for each piece!) and firmly attach to your artwork..the lower back of 2-D work or the bottom of 3-D artwork.

3. please indicate your name, title, medium and price. If not for sale simply put NFS. Do not write POR (price on request) no one will ask and i won't know.

4. if work sells it will stay on the wall until the end of the show. all work is expected to stay in the gallery until the end of the exhibition on jun 25th. studio takes a 25% commission of all sales, so price your work with this in mind. all transactions will be conducted by the Art Studio, Inc.

5. all work is presented "at your own risk" as the studio has no insurance for the protection of art. all precautions will be taken to protect the art but we are not responsible for loss or damage of your work especially if it falls off the wall due to faulty hanging apparatus. your entry into the show implies agreement.
