Dear Friend of The Arts,

The Art Studio Inc. is planning its biggest celebration of the year, and now is the time for you to help make it even more unforgettable!

TASI's notorious **Beaux Arts Ball** is planned for January 20, 2024, and we are now seeking art-loving sponsors to underwrite our signature fundraising event! All contributions are directed to the operations, publications, and programs happening at TASI in the coming year. Your patronage will make a huge impact on continuing the financial health and stability of TASI as we go forth. Please consider making a tax-deductible contribution and make plans to have the time of your life at the Beaux Arts Ball! Our all-star planning committee and Board of Directors are also seeking in-kind contributions of liquor, food, and other refreshments for the event.

The Beaux Arts Ball theme for 2024 is "Metamorphosis" which represents the many seasons of change through which TASI has been an integral part of the local culture. Since its founding as a non-profit corporation in 1983, The Art Studio has filled a unique niche in the Southeast Texas arts community – providing affordable studio space for artists, educational programs for all ages, and free exhibitions where anyone can engage with art and artists. The success of the Ball each year allows us to continue with many ongoing programs, such as Thoughtcrime Live poetry group, Calliope's Circle open creative writing workshop, and the premier all-ages live music showcase Band Nite. Additionally, we have expanded our art classes to include adaptive classes for families with special needs, and begun outreach collaborations like The Art Of Mental Health. These vital programs enrich many lives and are made even more accessible thanks to contributions from the community and valuable supporters like you.

We hope you will be able to help us make the 2024 Beaux Arts Ball another successful fundraising event to further the mission of The Art Studio Inc. in Southeast Texas. Thank you for considering being a part of this effort!

Sincerely,

*Greg Busceme*  
Executive Director
